Subject:                      UPDATE - Hastings Extraction Plant Unplanned Outage

Notice Text:

Dominion Gathering and Processing's (DGP) Hastings Extraction Plant experienced an unplanned outage on the evening of 12/19/16's gas day as stated in posting #185415. After further evaluation, DGP has determined that its Hastings Extraction Plant will not be restored to service any sooner than gas day 12/26/16. Delivery nominations during this period from Pods 1-10 and 14 will be kept whole by Dominion Transmission.

Please continue to monitor our EBB for updates.
