

ADDITIONAL WINTER GATE SPACE, SUPPLEMENTAL POSTING #1

Dominion East Ohio (DEO) will accept bids on a first come, first served basis for un-allocated gate space at the Clarington (Texas Eastern and Rockies Express pipelines) and Gilmore (Tennessee Gas Pipeline) interconnects. Individual bids of up to 5,000 dt/day will be accepted for each interconnect, and suppliers may submit bids for either interconnect or both. Suppliers may submit multiple bids if they desire volumes in excess of 5,000 dt/day, but subsequent bids will not be considered until other suppliers' initial bids are satisfied in sequential order. All bids must be received by 5 pm on Thursday, October 22, 2015. As stated in the September 23, 2015 ESCRIPT posting, DEO requests that suppliers who accept an allocation of gate space plan to deliver those volumes at that interconnect throughout the winter from November 1, 2015, through March 31, 2016.
